Team,

Just to let you know (as April already does), TDOC Commissioner Parker (our keynote speaker) is going to have to be out of state on May 18. Therefore, in consultation with him, we have moved the Symposium to Wednesday, May 23. It will still be in the morning. Please note this change on your calendars.

This change in the Symposium date should not affect out planning group meeting dates.

Team,

Just a reminder that Linda Russell needs you to submit to her by Friday, April 6 if at all possible your list of invitees for the Symposium. Remember that she needs the names in a spreadsheet format. If you have any questions, please ask her !

For the April 11 planning group meeting, we should have a draft of the invitation to show you.

Many thanks.
